— Americans of Japanese ancestry — which, it says is essentially an American product.

JACL says that it seeks to maintain the quality of this product through programs of good citizenship, by encouraging the maximum contributions of its members to their respective communities and by providing youth with opportunities to engage in constructive activities.

Japanese American children have a higher median level of education than the national average. Also the percentage of Japanese American males in white collar jobs is higher than the overall average.

The FBI Uniform Crime Report for 1964 shows only three Japanese in the whole country were arrested for murder and three for manslaughter.

The Japanese American Creed contains a sentiment which all Americans should feel, regardless of their national origin.

The Creed

The Creed says, in part: "I am proud that I am an American citizen of Japanese ancestry, for my very background makes me appreciate more fully the wonderful advantages of this nation.

"I believe in her institutions, ideals, and traditions; I glory in her heritage; I boast of her history; I trust in her future. She has granted me liberties and opportunities such as no individual enjoys in this world today.

"Because I believe in America, and I trust she believes in me, and because I have received innumerable benefits from her, I pledge myself to do honor to her at all times and in all places; to support her Constitution; to obey her laws; to respect her flag; to defend her against all enemies, foreign or domestic; to actively assume my duties and obligations as a citizen . . . in the hope that I may become a better American in a greater America."

We are happy to welcome such a group of fellow American citizens to San Diego.

Adachi's Work Shows Skill And Scope

JCCA Excited Over History

TORONTO.—The long awaited Manuscript of the first installment of the History of Japanese Canadians has been received from writer Ken Adachi, presently residing in London, England, it was reported from the National JCCA Headquarters in Toronto.

Stated Mr. George Tanaka, Chairman of the National JCCA History Editorial Committee, "Mr. Adachi's submission comprises Chapter Two of the History covering 50 pages of manuscript and some 15,000 words. It is entitled The "Yellow Peril" and The Riots of 1907. Ken Adachi's efforts in producing this chapter shows the massive scope of the work in research of facts and analysis of events even before the difficult task of creative writing is undertaken."

"This submission by Ken Adachi, stated Tanaka, gives every promise of fulfilling the highest hopes and faith the National JCCA History Committee has held for the ultimate success of achievement of an outstanding written work by a Nisei on the history of Japanese Canadians."

Adachi in his covering letter describes Chapter Two as follows: "The general conception was to show the enormous press and political campaign against the Japanese around 1907, and to analyse the international-national-provincial situation in the light of what was happening and what happened. As I see it, 1907 was a very key year in the history of the Japanese in Canada; almost as important, in its own smaller way, as 1942 because of the enormous consolidation of the accretion of prejudice. If the pattern of historical development was not yet set by 1906, it was to be set in 1907 (and 1908), and the evacuation was but a logical extension of the expulsion-limitation syndrome, and of the B.C.-federal conflict in which Ottawa capitulated (not in the same way because Ottawa still kept its head to a large degree in 1907-8). If history shows definable patterns and if its movements, to a large extent, are cyclical, then I have tried to indicate the close relationship between 1907-8 and 1941-2. Thus I have atempted to concentrate on large issues as reflected in the several events that took place." Adachi reports also that following Chapter Two, Chapters Three and Four will reverse the emphasis and look into the ensuing decades from the inside out.

The total work will comprise some 150,000 to 200,000 words in length. Adachi is presently working on Chapter One of the history which he describes as follows: "Chapter One takes in a great deal of ground: the Meiji break-through and its consequences, early contacts, beginnings of immigration and the "five-year" plan, legislative discriminations, analysis of various incidents such as the fishing strikes of 1901 and the Tomey Homma franchise affair of 1902, and so on."

The Future Plans

It was stated by Mr. Edward Ide, National President, "the National JCCA realizes many people are concerned over the progress of the history project which to this date has extended over a period of some 7 years. However, Ken Adachi hopes to have Chapter One completed by the end of September and the total manuscript towards the end of the Centennial year.

"The National JCCA History Committee has been in close touch with the Editor-in-Chief of McClelland and Stewart Limited, the foremost Canadian book publishing firm with Head offices in Toronto. The publishers are keenly interested in the publication of the Japanese Canadian History and it is assured expert editorial assistance will be extended to the writer."

Mr. Tanaka stated, "While the National JCCA's responsibilities toward the History project have been extensive in the past, it will continue to exercise the utmost concern over this important undertaking.

"I would like to stress the fact the period of the last two years has been particularly critical for the Committee and an extremely difficult one for the writer. While the initial years of this project occupied the writer in the work of research on the history, the later years absorbed the writer's time and efforts in the intense difficulties encountered and frustrations of a writer undertaking the demands of an extremely difficult literary project in the writing of a history.

"It is all too true, as has been advised by other writers at the outset of this work, that the undertaking of writing a history is a difficult work demanding many years of labor."

"The National JCCA and its History Committee have every confidence that the History will be completed and that it will become an outstanding written work to which Japanese Canadians can take pride."

History Fund

The National JCCA, it was reported from National Headquarters, must continue to assist and encourage the writer in his work. To effectively continue writing, the writer must live. In this regard the National JCCA must somehow provide for at least the minimal of the writers living ex-

MATSUSHIRO, Japan.—Wednesday this rural Japanese town marks an anniversary it would rather forget—a year filled with 500,000 earth tremors.

"The tremors will probably last another six months," predicts Mineo Takehana, director of the Matsushiro earthquake observatory, "but I don't think there will be stronger shocks than before."

Almost every wood and plaster house in this town of 22,600 has been damaged. Wooden props keep many standing.

The quakes have brought death to one resident, injuries to several and insomnia to many. The tremors also have hurt business.

Located 112 miles northwest of Tokyo, on a plateau covered with rice fields and apple orchards, this once was a favorite spa.

Most of the tremors have been slight, showing up only on seismographs. But the observatory has counted 3,540 shocks of force 2 (capable of causing a slight movement of doors) on the Japanese scale of 7. There have been 333 of force 3 (makes windows rattle); 36 of force 4 (enough to shake houses) and seven of force 5 (violent enough to crack concrete walls).

"Japan will have greatest impact on future of Asia, not China" – Reischauer

WASHINGTON.—It is Japan, not Red China, that will have the greatest impact on the future of Asia, said retiring U.S. diplomat Edwin O. Reischauer.

Reischauer, who is returning to Harvard after five years as U.S. ambassador to Japan, said the Japanese, 20 years after their devastating defeat in World War II, are now moving into "a role as the great economic and political power in Asia."

In an interview with the magazine U.S. News and World Report Reischauer said:

"China's influence is negative and recognized as such by everybody, whereas the positive role Japan can play is not so widely understood as yet. But for the last year or so, Japan has been showing signs of getting ready to assume a new position of leadership."

He said it was inevitable that Japan assume some of the U.S. burden in the Pacific, and said the United States is glad about it.

But he said he would "assume that Japan will continue to look to us for nuclear defense," one reason being that the Pacifist tendency in Japan "will remain strong among a large part of the Japanese public for some time into the future.'

The Japanese public generally is critical of U.S. policies in Viet Nam Reischauer said, but indicated this feeling appears to be moderating.

"The Japanese are not as prone to all-out condemnation of the U.S. as they were last year," he said. "There is greater realization that Viet Nam is a very complex problem with no easy solutions. Therefore, there may be greater sympathy for us and more understanding of the difficulties we face in Viet Nam."

Japan Site of Canada Cup

By LESLIE NAKASHIMA
(UPI Asia Sports Editor)

The sponsors of the 14th Canada Cup Golf Tournament to be played in Japan next Nov. 10-13 have announced that spectators will not be permitted to bring their cameras to the course.

It's a wise regulation because an increasing number of people have been clicking their cameras in the tournaments here and bothering players on the greens.

I have seen the same spectators take picture after picture of the same players putting on every green for what purpose I have not been able to learn.

Australia's Peter Thomson, five-time British Open champion, refused to putt several times in the Yomiuri International Open, the final tournament of this year's Far East Golf Circuit, in April because a number of spectators trained their movie cameras on him.

The sponsors of the Canada Cup tournament announced: "The taking of photographs interferes with the concentration of the contestants. Therefore cameras will not be allowed on the course. Those who bring cameras will be asked to check them at the entrance."

The temptation will be heavy, indeed, to sneak a small sized camera in a coat pocket and snap pictures of some of the top international pro golfers.

The sponsors are unlikely to go to the trouble of frisking each spectator and it is quite possible that there will be many cameras seen on the course.

It is ardently hoped that they will not click their cameras when watching from the edges of the greens. Worse is the buzzing of the movie cameras.

The Tokyo Yomiuri Country Club course where the tournament will be held was built on a hilly terrain with narrow fairways. In other words, it is not a course where a large number of spectators can be accommodated.

Most of the fairways have a hill on one side and than a quick drop on the opposite side. This means that if the fairways are roped to keep spectators off the fairways at all times, there will not be much room for money paying spectators.

The sponsors have said that the attendance will be controlled to the extent each purchaser of a ticket will have a chance to see the players in action.

"We don't want to sell tickets without reservation and then receive complaints that the area was so overcrowded that large numbers of people couldn't see the tournament," a spokesman said.

The spokesman estimated that about 5,000 spectators would be the limit admitted on each day of the tournament.

Tickets went on sale. The prices are 2,000 yen ($5.54) on each of the first three days and 2,500 yen ($6.92) on the fourth day, or a season ticket for the four days of 6,000 yen ($16.62).

The spokesman said that an over-all total of 14,000 spectators turned out to see the first Canada Cup tournament held in Japan 10 years ago at the Kasumigaseki Country Club, outside of Tokyo.

The unexpected victory of Torakichi (Pete) Nakamura and Koichi Ono in the team competition and Nakamura's win of the International Trophy in that tournament generated intense interest on golf in Japan. Thus, a much larger crowd is expected to take in the Canada Cup tournament in November.

It was reported that an order has come from Honolulu for 300 season tickets through the Japan Travel Bureau. Another order for 100 tickets has come from South Africa to watch Gary Player and Harold Henning try to retain the championship they won last year in Madrid.

Soviet-Japan consolidate

TOKYO.—Japan and the Soviet Union have agreed to hold regular conferences on the foreign-ministry level to consolidate relations of the two countries, long troubled foes. The agreement was announced after a 90-minute conference between Premier Eisaku Sato and Soviet Foreign Minister Andrei A. Gromyko.

TOKYO. — "Batting centres," where a person can take his cuts with the help of pitching machines, have sprung up throughout Japan like mushrooms.

The current boom is attributed to the fact that Japan does not have so much open space where the basebal crazy Japanese can practice batting.

The centres are equipped with several sets of pitching machines. Each machine has an "iron arm" which throws the ball to the batter through the power of a spring.

A maker in the Kansai area in western Japan is producing 1000 machines per month at present. But this is stil not to keep up with the orders.

Michael Sugai, fighting in the Port Dover Judo Tournament, won the Challenge Trophy in the 12-year-old division. He is the son of Mr. and Mrs. David Sugai.

B.C. is Climbers Paradise

Not peaked, but piqued — that is the feeling of five Japanese businessmen who have climbed 13 peaks in the Rockies over the past five weeks.

The climbers aren't exhausted at all and plan to head south to scale several more mountains along the U.S. West Coast.

But they are annoyed, or at least surprised that more B.C. people don't take up the challenges available in this mountain climber's paradise.

Head of the expedition, Sadao Yoshinaga of Osaka, Japan's second largest city, said Japan is a country glutted with enthusiastic climbers, but badly lacking interesting peaks.

"Even women and children can climb to the peak of Mount Fujiyama in the summer season," said Yoshinaga. Fujiyama, almost 13,000 feet, is Japan's highest mountain.

As a result, B.C. is widely known in Japan as a sportsman's paradise.

"Japan is a very crowded country," Yoshinaga said. "Even the mountains are a little too crowded in the summer. I heard about B.C.'s beautiful mountains from my friends and have been hoping to come for a long time."

Yoshinaga has found both mountains and people interesting and friendly.

The group arrived here May 31 and made an expedition to Glacier National Park where they scaled Mount Uto, 9,000 feet, and Eagle Peak, 9,600 feet. They also attempted to reach the peak of Mount Sir Donald, almost 11,000 feet, but had snow and ice conditions forced them to turn back below the peak.

The group found 11,900-foot Mount Assiniboine an easy climb. "We were a little afraid of the avalanches and saw several, but we were never in danger," he said.

The most arduous successful climb was 12,972-foot Mount Robson. Rain, hail and snow stranded the group at their 8,000-foot level high camp for more than two days.

"We had only about six hours of good weather during the week we spent at Robson, and when it came, we clambered quickly up to the peak and started back down. The descent was wicked."

In the Bugaboo range, the southern group of the Selkirks, they scaled eight peaks. On the most difficult climb, up the near-vertical sides of 10,800-foot Mount Snowpatch, they were accompanied by three Toronto climbers.

"We have nothing so sheer in Japan, but the mountain sides are granite and give firmer footholds, he said.

Yoshinaga, who had never been outside Japan before this trip, hopes to return to B.C. to climb peaks along the B.C.-Alaska border and at other points in the north.

With two other members of the group, Taizo Miyazaki and Tomotsu Ohnishi, he leaves Vancouver to climb a few more mountains along the U.S. west coast. Seattle's Mount Rainier will be the first.

The other two members, Setsuo Fujimoto and Oka Yoshiaki, have returned to Japan.

A big thrill for the men was discovering Banff, Jasper and Glacier national parks. "We have peaks in Japan, but not nearly so large or so filled with wild animals."

Like the sport of mountain climbing, Yoshinaga thought preservation of wild animals was a natural and healthy thing.

FUJI SPEEDWAY CLEARED FOR INDIANAPOLIS RACE IN JAPAN

TOKYO.—Henry Banks, the U.S. Auto Club vice-president, signed a contract with Japanese promoters to clear the road for about 33 Indianapolis 500-mile veterans and their cars to race in Japan this fall.

"As a result of inspecting the fine Fuji Speedway and satisfactory negotiations with Asti-Life Association, I'm ready to enter into a contract for the event," Banks told a news conference before he signed the contract.

"This is the first time that a race has been proposed featuring Indianapolis cars in a country other than the United States," said Banks.

"I'm returning home to the United States and will start sending out invitations to all top American drdivers," he said. "We expect fine participation."

Graham Hill, 1966 Indianapolis winner, and Jim Clark, 1965 winner, and the other contenders in the 1966 competition will be invited to race Oct. 9 at Fuji Speedway, 50 miles west of Tokyo at the foot of Mt. Fuji.

Competitors will go 200 miles, or 80 laps, on the four-kilometer (2.5 mile) track in a race for a $40,000 purse. They will be driving 600 to 625 horsepower cars with minimum wheel bases of 96 inches and 4.2 liter maximum capacity engines, said Banks.

The cars will be the same types as those raced in the Indianapolis 500 except the gear ratio, he added.

Some 125 drivers, cars and car owners and mechanics will be air-lifted to Japan in time for practice runs Oct. 6, and elimination heats Oct. 8 in preparation for the race, Banks stated.

Banks noted that the Fuji event will mark the first time American drivers will race in a counter-clockwise direction.

Banks commented, "I hope that this race will become an annual affair."

The speedway has grandstands for 30,000 people and standing room for 150,000. Some grandstands will be set up for the race.

Besides the Indianapolis drivers, others who will be invited to the race include Bruce MacLaren of New Zealand, Pedro Rodriguez of Mexico, Jack Brabham of Australia and Joakim Bonnier of Swedan.

High School Student Breaks World Record

TOKYO. — The Kyodo News Service reported a new world weightlifting record in the fly-weight division today set by Chinzei High school student Minoru Imamura of Kumamoto prefecture in Kyushu, southern Japan.

Kyodo said Imamura jerked 115.5 kilograms (about 254 lbs.) in the 11th National Inter-High School weightlifting competition at Aomori, on the northern tip of Honshu Island.

Japanese Runners Cop out of US Meet

TOKYO. — Hideo Iijima of Waseda University, who clocked 10.1 seconds twice this year in the 100 meters dash, and distance runer Keisuke Sawaki were not able to compete in the Los Angeles Times International games July 23-24.

The Japan Track and Field Federation said the two runners were unable to accept an invitation from the American Amateur Athletic Union because of an inability to adjust their schedules.

Iijima won the 100 meter dash in 10.1 seconds and Sawaki the 5,000 meters in 13 minutes 47.2 seconds in a meet in Odessa, Russia.

The sponsors of the Los Angeles meet invited a number of foreign stars to compete after the Russians declared they would not participate as a protest against the U.S. bombing attacks in North Viet Nam.

Nippon Ball Team Bows To Korea Wish

TOKYO.—The Tokyo Orions professional baseball team has discarded the nickname of "Gen" which it had given to Lee Won Kook, an 18-year-old high school pitcher it had recruited from South Korea.

The team made an announcement recently through the Pacific League that the young Korean player will be identified according to his Korean name.

The action was taken in deference to a protest from the South Korean government which announced that Lee would be recalled to his country if he played under a Japanese name.

Al McMullen, a Minden resort owner, has dreamed up a nightmare for golfers.

Like. You drive off a tee on a raft floating in a lake and if you're lucky enough to make the green in one shot, find yourself putting in hip-waders in a foot of water.

Or, take the third hole. The green there is a maze with enough dead ends to cost you a fortune if you happen to be playing a friend at a penny a stroke.

Then there's a vertical green and "par tree" hole built into a stump.

On the world's second wettest hole, you're given a raincoat to shelter you while you drive off amid a spray of sprinklers.

BEST SCORE FOR NINE IN 45

The course is just under a mile long and so far a 45 is the best score anyone has come up with for a nine-hole total.

"I imagine people who play my course will go right back to regular golfing. But I'm counting on the fact that there won't be many golfers who'll be able to resist trying it at least once," Mr. McMullen explained.

"The Nutty Golf Course" idea came to him when he started looking around for a course for guests at his resort. "It would have cost over $100,000 to establish a regular nine-hole course." He figures that his brainchild cost about $14,000 a hole-in-one.

"There's the odd hole that would be a real test for any golfer. When a guy drives on to the green that's under water he has to be within inches of the hole to be able to sink the putt because that's about as far as a ball will go under water."

HARD TO MISS ACE

But the eighth hole will please most duffers. It's billed as the world's largest hole and anyone who can drive 100 yards in the right general direction has a good chance for

Is it safe to use your own clubs? "Well, your putter will get wet on the underwater green but every other club is the same as a regular course. And we'll supply the rags to wipe off the putter."

The course is on the South Lake road, four miles from Minden. It's open to the public and the daily green fee is $1.50.

Golfers are warned to replace divots "as we don't have many."

朝飯をすませて、その後片づけがすむと、忠公はそういいおいて台所口から出て行った。

奥山の見世物小屋から、もう鉦、たいこ、三味線のはやしが、はっきりと耳についてくる時刻で、この長屋は案外静かである。

――あれも浪人早々、昨日は妙なことばかりぶつかったもんだな。

雷太郎は忠公がこしらえて行ってくれた炬たつに膝を入れながら、世の中というものは思ったよりいそがしくて、事件の多いところだと思った。

昨日はまず第一に、観音堂でおみくじを引いた敵討祈願の娘にぶつかっているその大凶と出たおみくじだけをもらってやって、名も所も聞かずにその娘とは別れたが、その戻り道でこんどは拾い屋の忠太につかまり、松葉屋へ引っぱって行かれて、本所の大両替屋とけんかをする羽目になった。

どうせ一生浪人ときめて家名も身分も自分からすててきた雷太郎は、出世欲も持たなかったが、一番心配したのは退屈しはしないかということだった。

その点、雷太郎は恵まれていると思った。たとえ、なにがしかでも自分のような不要な命が、世の中の役に立ってくれれば、雷太郎はそれで満足なのである。

『今日は、――雷太郎さんおいでになる』

台所の障子があいて、松葉屋のお高が膝をかけながら、もうさっさと奥の間へあがってきた。

『やあお早う。忠公がいまそっちへ行かなかったか、あね御』

雷太郎はなんの屈託もなく、もう十年からの附合いのように、明るくお高を迎える。

『いま忠さんに逢って、あんたが家にいると聞いたから、押しかけてきましたのよ』

お高は昨夜約束を破ったこっちを詰問するつもりで多少意気ごんであがってきたようだが、こっちの思ったよりのんびりと明るい顔を見ると、なにか勝手が違ったような様子で、

『雷太郎さん、ひどいわ。昨夜はとうとう待ちぼうけをくわして』

日系史第二部も近く入手見込

待望の日系カナダ人史の一部原稿がこのほど在英京の著者足立ケン氏から送られてきたと全加市協が今週発表した。

全加市協日系人史編集委員会長田中ジョージ氏によると、足立氏の送稿の表題は『黄禍と一九〇七年の暴動』で、晩市パウエル街暴動事件の前后をとりあげたもので、五十ページ、約一万五千字でつづられたものであるといっている。

この一部原稿によって日系人史委員会は初期の目的達成に対する希望と確信が深く持ちあげられていると田中氏は語っており、この原稿に就て著者は、なぜこの暴動事件を日系人史の一つのヤマとして詳細に記録する必要があるかを説明している。

またこれに関連して全加市協の井手エドワード会長は[illegible]対して多くの人々から心配されていることを認めると同時に、足立氏から来る九月末までには第二部の原稿を受取ることを期待し、来年末までには完稿することを切望すると述べている。

(日系人史に関する全加市協発表文の大要は日本紙に発表する)

沿海州の旅（一）

秦　研　三

ケベック・シテイについたのは夕陽がやっと沈みかけようとするころ。トロントから一気にドライブという強行よりだったが、妻が途中のハイウェイで二、三時間ほど交替してくれたので、思ったより疲れも覚えず、そのまま夕やけの下町を一巡したのち、市内モテルで旅の第一夜をあかした。

ケベック・シテイから對岸のレヴィにわたり、そこからガスッペ半島のセントローレンス河口への沿道をとり、半島を一周してニューブランズウィック州に入る豫定であった。ところが出發してから約一五〇マイルほどの地点に達すると、ケ州観光省の小さな出店があるので半島の先端近くにあるガスッペ町までの遠さをきくと、まだ三五〇マイルもあるという。一日を節約するために先端廻りは残念ながら放棄し、半島の胸あたりになる山奥越しの横断道路をとって近道でニューブランズウィック州に入ることにした。

セント・ローレンス河の河口に向って走る車道のあたりはオンタリオ州の平坦な農地とは違って、起伏の多いやせた土地の連續である。そしてほとんど二〇哩毎に、入江や見晴しのよい高地には、それでもこじんまりした佛系カナダ人の部落が點在している。

どの部落でも、その中央的位置にはすばらしく豪華な教会が建てられていて、まるで『これ見て下さい。私達の教會は、このあたりでいちばん立派なものでしょう』といわんばかりに、アルミ・ペイントもてかてかと空に高くのびた尖塔や屋根が日光を照り返している。そしてこれらのカトリック教会は、あたかも親鳥が小鳥を守るように、貧弱な部落を見下ろしているかたちである。

ところが、これらの立派な教会にくらべ、部落の人家となると、ペイントははげ落ち、修理も怠っているようなみすぼらしい外観を車窓から眺め、なにかちぐはぐな感じが抱かれてしようがなかった。それに干物ラインにぎっしりとつられた小さい子供たちのサイズの違った下着が、みられては恥しい、と思えそうなのが平然と風にふかれていた。産児コントロールを拒む宗教の及ぼすものが、たくましく露出されているようだ

シルクロードの旅

―（十三）―

そこの村長ゴレムレザー氏がおもしろいことをいった『同じ村の中でも、チャドルを着ているのは、道に面した家の女たちに多い。外出のときだけチャドルをつける女も多いよ。どうも宗教心というより、女たちが考えているのは、宗教心があると思わせようとする世間体だね』

この言葉は、チャドルが都會の下町に一番多いとい

『つつしみがない』といわれてうるさいから』。テヘランのバザールのじゅうたん屋で出あった二十二、三才のイラン美人が、きれいな英語でいって、はずかしそうにわらった。

が、彼女の花もよう入りのしゃれたチャドルの、その薄さ。下に着ているピンクのセーターと、赤いスカートがすけてみえる。チャドルの前を合わせている指はマニキュアでクッキリと

のチャドルもあった。チャドルを頭からかぶらず肩から腰に回してインドのサリー風に着ているニュースタイルの着方にも出會った。多くの婦人にとってチャドルはいま一種のおしゃれではないのか。

雑踏のイスファハンのバザールで子どもの手をひいたチャドル姿の小がらな女が『金をくれ』と私につきまとった。私の横に並んでいつまでも實にしつこい。貧しい者は助けられるというイスラム教徒の信條に加えてチャドルで顔をかくし

對加輸出の割當 日本で最も悪評

島津大使が制度再検討を訴う

今週のカナダ有力経済紙『ザ・ファイナンシャル・ポスト』は毎年、共通会議に関す『ジャパン』特集号を増ページして加えているそのなかに十五日オタワを出発する島津駐加大使は、『帰任するにあたり、率直にカナダに物申す』となし日本品の對加輸出規制は、あらゆる面で日加友好が深められているのに、これだけがタマにキズであり、日本では最も不評を買っているとのメッセージをよせている。

この自主的輸出数量規制は一九五九年以来、日本が余儀なくされてきているものであり、差別的な待遇であって、今こそその制度の全面的再検討の必要が痛感されると島津大使はカナダ政府側に強く反省をうながしており、最後に日加関係は年々親交の度を増していくことに疑いを持たないと結んで、さようならメッセージとしている。

二千万人 カナダ人口

【オタワ】オタワ政府當局は来る八月十五日ごろ、カナダの総人口はちょうど二千万人に達するだろうと推定しており、二千万人目はおそらく移民の一人があたるであろうとしている。

一方、国内における出生数は最近ぐんと低下し、移民数は高度伸張を維持している。一九六一年、人口一万當り二六一人の出生率が現在では一万當り二四一人となっている。

ウタント氏辞任 来る十一月任期満了と同時に

【国連】ウタント国連事務総長はその地位を放棄する決意である。ウタント氏は再任の決心について国連の主要代表にもらしたと情報筋では語っている。ウタント事務総長は来る十一月三日で満五年の任期を完了すると同時に辞任する意向をかためているが、加盟国首脳が一致して留任を勧告すれば再考の余地があるかも知れないと同筋は報じている。

ウタント事務総長はモスクワ、パリ、ロンドン及びワシントン政界首脳者から留任をすすめられているが、ベトナム戦争の拡大について心を痛めており、任期満了と同時に辞任する旨を総会前に公表するだろうといわれている。

中共軍五万 北ベトナムに

【サイゴン】米當局は北ベトナムにおける中共軍人の勢力推定をより多く改訂し現在中共軍正服の軍人は五万人に達するとしている。

これら中共軍の大部分は米軍機による北爆からうけた被害地の修理と供給路の改善に使用されていて、實戦には参加していないとみられている。六カ月前、中共は鉄道修理のため約二万軍人を派遣、米當局は一カ月前、北ベトナム内の中共軍は三万ないし四万と見積っていたが、これを現在五万人と多く推定している。

『東京で平和会議を』呼びかけに日本應ず

【東京時事通信】柏谷駐タイ大使から今週、外務省にはいった公電によるとタナット・コーマン・タイ外相は同大使に對しベトナム問題解決に関する『アジア平和会議』を呼びかける三国外相提案についての椎名外相あて書簡を手渡し、同時に紛争當事国の平和会議について非公式に東京開催の意向を明らかにしたといわれる。

同書簡の内容は『ベトナム紛争解決のため、紛争に巻き込まれている国々の當事者に對し話し合いのテーブルにつくよう呼びかけを行なうことに日本も参加してほしい』との趣旨のもので、タイ、フィリピン、マレーシアの三国外相が署名もアフガニスタン、ビルマ、カンボジア、セイロン、国府、中共、インド、インドネシア、イラン、韓国、ラオス、ネパール、パキスタン、シンガポール及び日本の計十六カ国に對し参加が要請されている。

これに對し外務省は早急に検討のうえ近く回答するが、この呼びかけには原則的に参加する意向であり、同会議の東京開催についても原則的に賛成の意向を示している。

カナダ側 雇主がしぶる 多数日本移民の流れをはばむ

カナダに移住したいと希望する高度技術者やエンジニアが日本には多数にあるが、カナダ業界が『本人をみないで雇用する』ことにチュウチョしているためカナダへの大量移住の流れをセキ止めている。

東京のカナダ大使館に移民官が派遣されてからほとんど一年間のうちに、約五千人が移住機会について問い合わせを行ってきた。それに元気づけられ、このほど雇庸中央に審査審給事務所を開設するにいたった。

それまでに、オタワ當局は約一千人の申請を吟味したが、彼等の教育程度は世界のいずれの国にくらべて最高で、申請者のほとんど三分の一は大學卒である。

日本人のカナダ移住の成功はカナダ側の雇主の協力如何にかかっている。

カナダの多くの雇主は欧州移民なら、本人をみなくても雇うことをチュウチョしないが、日本人となるとたとえ資格は十分あっても、まあと返事を躊るようだ、とは在東京移民官の告白である。

米艇を誤射

【サイゴン】米軍機は南ベトナム沿海を航行中の味方の一船舶を敵と間違えて十日攻撃し、同船の乗組員二名を殺し、五名に負傷を與えた。米パトロール艇が点檢せず沿海を警戒していたもので、米軍機が誤射したわけ。

バット練習機 日本で大流行

【東京】野球狂の日本にこれまた『バッチング・センター』と呼ばれる自動的にボールを投げるミシンの前に立ってバッチングの練習をやるセンターがいま全国いたるところに出来ている。バッチングをする場所がないので、これが大當りで製造業者は月産一千台を出しているが、注文に應じ切れないという始末。

最古の農業部落 水田の遺跡も滋賀県で發見

【大津時事通信】滋賀県の大中の湖干拓地で日本最古の農業部落と水田の遺跡が發見された。

十日県教委が發表したところによると、同遺跡は二千百年前の弥生時代中期のもので、静岡県の登呂遺跡よりも二百年古いもの。とくに注目されるのは、住居址に接續して水田が囲ってあり、古代の水田状態が判るばかりでなく、水田の所有関係も類推できる點である。

この遺跡は東西千三百メートル・南北五百メートルにわたる廣大なもので、三十九年六月までは琵琶湖の湖底になっていたが、農林省による大中の湖干拓でこの地域が干拓された結果發見され、今年四月から發掘作業が始められた。

現在までに水田を囲む百二十五メートルにおよぶ柵し[illegible]や、長い[illegible]跡のほか、二つの重大史跡[illegible]屋敷、周濠からは棚、鋤、田下駄など八百個余りの農具を中心とした木器や、弥生中期と推定される弥生回紋式土器など大量の資料が發掘されている。

死者七、重軽傷五三 オタワで架橋工事中の惨事

【オタワ】市内を流れるリドー川に新橋を架設する工事が進められていたが、十日夜このコンクリート造りの橋の一部が大音響と共に川底に崩れ落ち、折から就業中であった建築人夫がその下敷となって七人が即死、五十三人の負傷者を出した。このうち十八人は重傷で、行方不明も一人ある。

十日午後はなんらの異常もなく工事が進行していたが、夜になって長さ百六十呎の橋の中央部がくずれて六十呎も川底に落ち込んだ。直ちに救助が開始されたが、なにしろ無数の鉄ワイヤやコンクリートの組合せなどで思うように救助作業がはかどらず、その上の降雨とあって、遭難現場は眼もあてられないほどの惨状である。

物價對策 閣議ひらいて

【オタワ】自由党政府は十一日、特別閣議を召集して国内の物價高傾向をチェックする對策について協議した。消息筋によると、閣僚はそれぞれの省予算を最低限度にして、新事業は一時保留するよう要請され、またシャープ蔵相に對して更にインフレ對策を要求するようとの促がしがあったといわれる。このような事態にしたがって、オタワ政府は新工事の着手を延期することを考え、すでにそれが行われているともいわれている。

東京でドライバーがいないタクシーを十日ちょっと失敬した無職青年一君(二二)が、ドライブして逃げようとしたら、通行人が手をあげる。幸いと客をひろって一儲で十回稼かせいだ。よい調子とばかりながしているうち警察の警官をのせたのが運の尽きで、捕まってしまった。

△雨なし記録の東京で一番は十一日朝から午後にかけてかなりの降雨があり、農家は百万余の雨を大喜びである。

"No porrock jokes preese" Dept.

It's too bad that the barrier between the Sansei and the "Japanese" isn't only language.

Take the case of the university students who were in Toronto last week-end. They were a bright, likeable and vivacious group. But the only communication between us (Sansei) and they, are the few chopped and utterly broken English or Japanese phrases (on our part) (whichever they use). Serious talk is okay, but, conversation cannot continue on that plane forever.

Here is where it breaks down. Banter, patter, joking or whatever you call it, is the other barrier.

Our sick society with its pollock jokes, its Lenny Bruces, its "would you believes" has affected us. Our humour is now based on satire, sarcasm, irony or ridiculousness. People from Japan are not accustomed to this. Speech inflection, subtlety, insinuation get lost in the transation process.

Anyhow my broken Japanese (to pieces) and Anglo-Saxon conditioning some how managed to solve their brand of banter. Its an obvious, sincere kind of poetic type of humour. Something like Haiku poetry. Example; when teasing somebody they may compare him to the stars or the moon or use astrological terms. Roaringly funny to them, snickeringly to me.

Communications Dept.

Ironically this next piece of news seems to substantiate my views. Robert Fulford in the Star wrote: "it is good to know that once in a while crime actually does not pay. Most of the stupid little picture-and-joke books make money, but at least one of them is a failure. Shindal, The Art of Japanese Bed-Fighting (75¢), is an unfunny protracted joke. It kids sex manuals, Oriental rituals, etc. The publishers pushed it hard and expected a big success. But around Toronto, they can't give it away. Maybe a lack of communication?

"What else is new" Dept.

Stokely Carmichael, chairman of SNCC, the Negro human rights organization, met with a barrage of criticism when he advocated a "black power" movement for negroes. What he wants by this program is to have negroes in responsible positions, in positions where influence can help. For instance a sherrif, a mayor, or a District Attorney; positions where the Negro cannot be stopped by the likes a Bulldog Connor or a Wallace.

Verbal euphamism to the rescue. A Negro psichiatrist has contended that centuries of brainwashing by the white man have instilled a self-hatred in many Negroes. This along with poverty, could account for the Negro community's high rate of violence, illegitimacy and broken homes.

He advocates political and social group action, and racial solidarity programs of black consciousness, to help absorb and constructively channel Negro frustrations.

Sounds familiar? Of course, it's just "black power" in the euphamistic, prettied-up jargon of psychiatry.

Nu . . . de Dept.

Colin Kerr, proprietor of the Mynah Bird, a Yorkville Go-go and Coffee House, has applied for parmission to use bare-bosom go-go dancers. For the official opinion, invited city officials to view a private showing. The important thing here is the Toronto Morality squad didn't come. They, first, place judgement on things of this nature, to see if it meets community standards, whatever that standard is. And if there is a standard how do the environs of Yorkvile measure up.

Is Toronto ready? Not with the mish-mash contradictory standards it places in the provincially minded people who are supposed to "measure" such a nebulous thing as community standards.

How can Dorothy Cameron be convicted of exhibiting obscenity with her art show "Eros" when there are dozens of bookstores around town, open to any inquisitive kid, selling all kinds of skin books with unmentionable titles.

It's a sorrowful state, not uncommon to Toronto, and will not be remedied until we find the "standard".

"A must" Dept.

For any of you JC folk-blues lovers, the Riverboat is featuring Sonny Terry and Brownie McGhee, a pair of legends in their own time.

Yes they're the same two who appeared with Harry Belafonte in his last appearance at the O'Keefe. And yes they're the people who broke the crowd up with their lusty, earthy blues.

Don't be afraid of the Riverboat just because it's in Yorkville. "Oh the LSD bunch". No, the Riverboat crowd is on the older side. So its a must for blues lovers.

Beef: With the Mariposa Folk Festival so near, why didn't they invite Sonny and Brownie?

Old Japanese Traditions Still Exist

By EDYTHE OHASHI

TORONTO. — Western culture has assimmilated into Japanese life in the form of cars, rock-and-roll, clothes and food, but it hasn't touched Japanese traditional values and ethics.

That was the impression I got when talking to some of the students on contemporary subjects like the Go-go, the first-date kiss, showing affection in public, the mod styles, the twist, movies, Toronto and many other things.

The Go-go is very in . . . but only for the young people. Kenji Hanaoka, a Mass Communications student likes it and does it, "Oh yes I do, oh yes", gyrating at the same time. Hidemi Sho, a beautiful girl with a calendar face and art graduate of Seijo University, on affection and kissing, "oh it depend on boy and situation, maybe though, maybe", while looking in the direction of her hulking "friend", Takashi Ueda who was beet red. The general concensus was that the Go-go was for younger people. The average age of the group? Oh an "old" 22-23. Sachiko Saionji definitely wouldn't do it, she was 19.

Shigemi Saito or Peaches blushed when I asked her about a first date kiss and about showing affection in public. "I would not kiss a boy on the first date only after 7-8 dates." Meanwhile behind me with a devilish grin, Kenjiro Kaneko hesitated and decided on the right answer. "Sometimes, but it depends on the situation, the place . . . the girl . . . you know," blushing and looking in the direction of Peaches. I found later Kenjiro and Shigemi had a "warm" relationship.

All the people I talked to agreed on one point, that it would be a few generations yet till they were fully westernized.

History Project . . .

penses. The National JCCA therefore must raise a further three or four thousand dollars. This endeavor presently rests with the National Executive Committee. The members of this Committee shall do their best to raise this fund. However, if the JCCA Chapter organizations and some other groups and individuals can render co-operative assistance in this responsibility, the National Executive Committee would be grateful. The Committee wishes to acknowledge it has received a contribution of $200 toward the History Fund from Mr. George Tanaka.

Literary prize to woman

TOKYO. — A Japanese Christian housewife has won a $27,000 first prize in a nationwide Japanese newspaper novel contest for her story on the biblical theme of original sin.

Mrs. Ayako Miura's book The Freezing Point, has been running serially in the newspaper, Asahi, has become a best-seller, and has been made into a popular TV program and into a movie.

Mrs. Miura, a beginner at writing, manages a small general store and did her writing after 10 p.m. when the store closed. She gave a large part of her prize to her church.
